New members will be accepted for participation in this tournament; applications will be available at the tournament site.

If you plan to enter all three events, you **must** pay the \$60 total prior to entering the team event. If you are only participating in the doubles and singles events, you must enter either or both prior to any team event. **PLEASE NOTE** that the table will only be open prior to a USBC team event.

Cash awards will be based on the number of entries and will be paid at least one out of every seven entries. A three game scratch series will determine the winner.
